Dear Laurence

The entire RACQ CareFlight team and patients would like to thank you for your support through Club CareFlight.

As a member of Club CareFlight, Roof & Building Service is an integral part of ensuring that our pilots, doctors, paramedics and crewmen continue to save lives. Our service helps hundreds of sick and injured people every year - from tiny newborn babies, to the elderly, or patients suffering life-threatening medical illnesses and those seriously injured in terrible accidents.

Thank you again for your wonderful support and for being a proactive business in your local community. Please find your receipt below.

Yours sincerely
