

# CASE STUDY

## R&BS and Churchie — an enduring partnership

When the management at Anglican Church Grammar School (Churchie) — one of Brisbane's leading private schools — needed a trustworthy company to take care of the beautiful heritage buildings on their premises, they contacted R&BS.

Three decades later, Churchie still relies on R&BS to provide high-quality roof and building maintenance.

"We've been using R&BS for over 30 years," stated Alan Borger, Manager of Property and Works at Churchie.

"They always carry out their work to an extremely high standard and the team are very easy to deal with. R&BS have carried out a wide scope of services at the school, including waterproofing, roof maintenance, tile replacement, guttering repairs, basement waterproofing and external wall repairs.

"We've been really pleased with the service from R&BS."
